Famalicão,
September,2020 – July,2022

LANGUAGES

Advanced English

Native Portuguese

SKILLS

SQL (PostgreSQL, MySQL)
JavaScript (ES6, React, Redux, Node)
C# ASP.NET

EXPERIENCE

CODEPOINT

Software Developer
September, 2021 – Present

- Worked closely with the design team to develop the frontend for client's solutions.
- Migrated existing, outdated apps to newer technology stacks, in ReactJS and .Net.
- Tested software for bugs and operating speed, fixing bugs on projects developed by the rest of the team.
- Experience working on a SCRUM environment, with weekly sprints, actively engaged on the sprint planning.
- Hability to work independently and within a team setting.
